July Monthly Report (6/1/02 - 6/30/02)

Dear Ms. Williamson:

As we have previously advised the Commission, the Democratic Senatorial Campaign Committee discloses its memo entries from its affiliated committees on a monthly reporting cycle and reports its transfers-in on Line 12 based upon the dates the dollars are actually received. Thus, a memo entry will be included in the Committee's report if dollars were contributed in that period to the affiliated committee. However, dollars from the affiliated committees are transferred only periodically to the Democratic Senatorial Campaign Committee, thus there is no direct relationship between the dollars on the monthly memo entries and the dollars reported as received on Line 12.

With respect to the Schedule A supporting Line 17, list rental income from AB-Data, please be advised that the Committee's names are sold at the standard market value per 1,000 names. This is the standard of the industry.

Regarding the date of the Missouri Senate 2002 transfer of \$180,000, the correct date of the transfer was 6/20/02.

The date of the fundraising programs applicable to the revised allocation ratios included in Schedule H2 is 11/5/02. No excessive non-federal transfer was received.

Concerning the transfer of \$3,000 from federal to non-federal for Edward DeBartolo, please find enclosed a copy of Line 29 of the FEC Quarterly Report for Tennessee Senate 2002 for the quarter ending September 30, 2002, reporting the transfer from federal to non-federal. Also enclosed is a copy of the Schedule A for the Tennessee Senate 2002 - NF
